Mae-Ai witthayakhom school

- Thai-Society course

2563-2564

Chiang Mai Technical College

- Multimedia Computing

studying at

**Rajamangala University of Lanna,
Chiang Mai**

- Faculty of Computer Engineering

personal preference

My name is Danchai Surin. My nickname is Dan. Interested in time management and working systematically or like accuracy and precision I tend to think small even in small things. Because I want what I'm doing to be successful as I want.

SKILL

C language

most often used

html5 language

Used a long time ago

python language

aptitude for making video

Used a long time ago

EXPERIENCE

Worked on a Unity project

Resistor reading game project

- The player will be trapped inside the room. And how to finish the game, the player must solve the puzzle, read the resistor value and choose the correct answer.

I'm about to start studying coding.

Start by programming an external mouse control.

- Interested in converting code to work on computers, as well as controlling external devices for further expansion.
